

I am Sarah Hickling and I'm one of the Staff Governors. I have over 10 years of experience in education and prior to starting my employment at The Milford Academy, worked within a Child Protection Team in South Nottingham and then spent several years running the Playing for Success initiative at The National Ice Centre. I joined Milford in 2011 as a Teaching Assistant and soon after trained to be a Teacher, primarily based in Key Stage Two.

I consider myself a good role model and hardworking individual who seeks self-improvement and have recently completed the National Professional Qualification of Middle Leadership (NPQML) course.

I am passionate about education and a strong advocate for creating a learning environment where children are inspired and motivated to learn. As the Outdoor Learning Coordinator, I want our pupils to engage in a variety of enriched activities within our school grounds, and the local environment, whilst learning about significant world-wide issues such as: global warming, pollution and sustainability. In addition, as the Maths Coordinator I want to develop the resilience and mind-set of our pupils so that they can confidently and willingly solve challenging questions, utilising their knowledge of methodology and communicate their rationale with articulacy. As a member of the school Governing Body I will work hard to ensure that all children at The Milford Academy receive the very best education Milford has to offer.
