

It's Never Too Early!

We are updating our Nursery waiting list.

If you have a child under 3 you can register them for Nursery. We take names on the waiting list from birth.

You can pick up a form from the main school office or come and see us in the Nursery.

Please let friends and neighbours know too!

If you think your contact details may have changed since you put your child's name down please let us know.

We look forward to hearing from you!

Mrs Simons and the Nursery staff.
