The SEND Inclusion Award

Dear Parents & Carers,

We are aiming to achieve an award for our Special Educational Needs and Disability Provision in school: **The SEND Inclusion Award**. This award is an exciting opportunity for us to review, develop and gain accreditation for the provision we offer our pupils with Special Education Needs and Disabilities (SEND) at The Milford Academy. The award is compliant with the SEND Code of Practice and focuses on removing barriers to learning through early identification, along with promoting inclusive teaching and leadership.

The award specifically focuses on 'outcomes' for pupils and how we as a school can demonstrate the impact of our SEND provision. As the school works towards the achievement of this award, our school values and ethos remain at the heart of everything we do. The award will support our drive to deliver high-quality education for all pupils with SEND ensuring that they can Aim High and Achieve.

As part of the accreditation process, current practices will be evaluated to enable the school to create an action plan in order to develop a range of school improvements in line with set objectives from OFSTED and the SEND Code of Practice. All stakeholders, including parents, pupils, teachers and governors will be informed about the award and their views sought through the completion of a survey. Everybody's response and views from the survey are really important and will help us to understand what we are doing well and how we can do even better.

Please feel free to contact the school if you would like to know more about the award

Yours sincerely,

J Wallace
